

## Combining the Property Standardisation Group (“PSG”) standard documents and guidance with Clarilis’ market leading automation platform

Clarilis provides off-the-shelf, deep automation based on the highly regarded PSG commercial property documents.

The automation is fully maintained and accompanied by comprehensive guidance.

## Why automate?

- Drastically reduce drafting time
- Improve margin by working more efficiently
- Increase capacity
- Enable delegation in a risk mitigated environment
- Enhance client relationships by delivering a superior agile service
- A leveller for Scottish firms of all sizes
- Assist recruitment and retention

## Solution differentiators

- Automated templates and documents from the PSG
- Available off-the-shelf, with no implementation required
- Market-leading automation with both breadth and depth of solution
- Fully maintained documentation, automation and guidance - automatically updated by Clarilis when the PSG documentation is updated
- Comprehensive house styling options available
- Rigorous security measures and protocols
